On behalf of the Alachua County Board of County Commissioners (the Board), I am honored to present the 2019 Annual Report, my first as the appointed Alachua County Manager. Our mission is to provide responsive service to citizens and responsible stewardship of county resources for current and future generations. With this mission in mind, I am proud to share the last year’s successes, look forward with determination to next year’s objectives, and identify the challenges we face in meeting those objectives.
